IT Architect

EDUCATION

FINAL GRADE: 1.6

This grade represents an excellent performance, close to the highest possible score in Germany, where 1.0 is the best and 5.0 is failing.
Internationally, it is comparable to:

- **USA**: A- to A (GPA 3.7 to 4.0 on a 4.0 scale)
- **UK**: First-Class Honours or Upper Second-Class Honours (1st or 2:1)
- **UAE**: Equivalent to a high distinction in most grading systems."

2013 - 2015

Master of Science

Technical University Berlin
Computer Science

2010 - 2013

Bachelor of Science

Technical University Berlin
Computer Science
